ADVERTISEMENT FOR BIDS

VALHALLA APARTMENTS WATER SYSTEM CONSOLIDATION SRF GRANT NO. WIF-1931

Sealed bids for the project entitled Valhalla Apartments Water System Consolidation will be received by the Tuckaseegee Water and Sewer Authority until 2:00 p.m. local time Thursday, July 18, 2019 in the Tuckaseegee Water and Sewer Authority Administration office located at 1246 West Main Street, Sylva, NC 28779. At said place and time, all Bids that have been duly received, will be publicly opened and read aloud.

A pre-bid conference will be held at 2:00 p.m. local time on Tuesday, July 2, 2019, at the Tuckaseegee Water and Sewer Authority Administration office. Interested parties are invited to attend this meeting to review the plans, ask for additional information or clarification and to visit the project site.

THE PROJECT GENERALLY CONSISTS OF the construction of approximately 975 LF of 8-inch, 1,185 LF of 6-inch, and 310 LF of 4-inch DIP water line, 475 LF of 2-inch PVC water line, 3 hydrants, and associated valves, appurtenances, and site work along North Country Club Road/SR 1330, Warp Drive, and Linmar Loop near the Village of Forest Hills.

The Bidding Documents for the project may be examined at the following locations during normal business hours:

McGill Associates, PA
55 Broad Street,
Asheville, NC 28801

Tuckaseegee Water and Sewer Authority
1246 West Main Street,
Sylva, NC 28779

Digital copies of Bid Documents are available for purchase at www.mcgillengineers.com for a fee of \$50 per set. These documents may be downloaded by selecting this project from the "Bids" link and entering Quest Project Number 6399287. For assistance and free membership registration, contact QuestCDN at (952) 233-1632 or info@questcdn.com.

Each bid shall be accompanied with a cash deposit or certified check drawn on a bank or trust company insured by the FDIC or a Bid Bond prepared on the form of Bid Bond contained in the Bidding Documents or a Surety Company's standard form and properly executed by a corporate surety licensed under the laws of North Carolina to execute such bonds. The amount of the bid bond shall be equal to five (5) percent of the total of the bid. The bid deposit shall be retained by the Owner if the successful bidder fails to execute the contract or fails to provide the required bonds, as stated above, within ten (10) days after the proper notice of award of the contract.

Bidders must comply with the requirements of the State of North Carolina and be appropriately licensed as a Contractor as provided in General Statutes Chapter 87.

Neither the Owner nor the Engineer will be responsible for full or partial sets of Bidding Documents, including any Addenda, obtained from any source other than the Owner's representative, McGill Associates, P.A. Each Bidder shall be responsible for the review of all addenda for the project and shall acknowledge the addenda on the bid form.

The Owner reserves the right to reject any and all bids, to waive informalities, or to reject non-conforming, non-responsive, or conditional bids. The Owner reserves the right to award a contract to the lowest, responsive, responsible bidder or bidders, taking into consideration quality, performance and time.

The Tuckaseegee Water and Sewer Authority has adopted a "Minority Business Participation Outreach Plan" (MBPOP). The goal of the Tuckaseegee Water and Sewer Authority in adopting its Plan is for the expansion of participation by historically underutilized businesses (HUB) in construction projects as defined in GS 143-128.2 (g). Equal access and opportunity to participate in all aspects of construction projects shall be provided to HUB. It is the policy of the Tuckaseegee Water and Sewer Authority to award public building contracts without regard to race, religion, color, creed, national origin, sex, age or disabling condition. Each bidder shall make a good faith effort and shall document such efforts to utilize minority businesses and comply with the Tuckaseegee Water and Sewer Authority plan.

Contractors submitting a Bid on this project must solicit bids from minority subcontractors and provide documentation of any outreach efforts as required by the Special Conditions Packages.

Bidders must comply with the President's Executive Order No. 11246 as amended, which prohibits discrimination in employment regarding race, creed, color, sex or national origin. Bidders must comply with Title VI of the Civil Rights Act of 1964, the Davis-Bacon Act, the

Anti-Kickback Act, the Contract Work Hours Standard Act, and 40 CFR 33.1016, and 40 CFR 60-4.

TECHNICAL

ORANGE WATER AND SEWER AUTHORITY

UTILITY MECHANIC I OR II

The Orange Water and Sewer Authority (OWASA), seeks highly motivated candidates for a Utility Mechanic I or II position. We are a progressive water utility providing water, wastewater and reclaimed water services to the Towns of Chapel Hill, Carrboro and the University of North Carolina at Chapel Hill.

Position installs, repairs and maintains water, sewer and reclaimed water lines. Other duties include disconnecting water service; servicing meters, valves, hydrants and manholes, and maintaining easements. Position uses a wide variety of equipment and tools including air compressors, jack hammers, pavement saw, dump trucks, backhoes, compact rollers and tapping machine.

Title and salary range are dependent on experience.

Utility Mechanic I: Prior experience in a water and wastewater utility preferred but not required. Requires a High School Diploma or equivalent and a Valid NC Driver's License. Candidate must be able to obtain (within 6-months) and maintain a Commercial Driver's License (CDL) Class A. Salary range: \$34,297 - \$52,818.

Utility Mechanic II: One to three years of experience in a water and wastewater utility required. Position requires a High School Diploma or equivalent and Commercial Driver's License (CDL) Class A. Candidates must have a Collection System Grade 1 certification or a Distribution System Grade C certification. Salary range: \$39,702 - \$61,141.

Candidates must have the ability to work outdoors in all kinds of weather and respond to after-hour situations as necessary. Position requires exerting 20 – 50 pounds constantly and walking or standing to a significant degree. Typical hours are Monday through Friday 7:00 AM to 3:30 PM.

OWASA provides excellent benefits to include membership in the NC Local Government Employees Retirement System. Paid Health, Dental, Vision and Life insurances. Additional benefits include: Paid Holidays, Vacation, Sick and Personal Leave, Bereavement and Parental Leave, Educational Reimbursement, Bonus Pay for Additional Certifications and/or Education.

The ideal candidate is a team player with great communication and a passion for customer service. If you are a self-starter with excellent work ethic and a positive attitude, we encourage you to apply.

OWASA is an Equal Opportunity Employer committed to continuous improvement, sustainability, creativity, diversity and inclusion.

Apply online at www.owasa.org.

Closing date is June 24, 2019.

Certified Orange County Living Wage Employer.

NORTH CAROLINA DEPARTMENT OF PUBLIC SAFETY

MAINTENANCE/CONSTRUCTION PROJECT MANAGER I

Salary:
\$56,046.00 - \$100,814.00 Annually

Description of Work:
The North Carolina Department of Public Safety, the largest state agency with 26,000 employees, is responsible for safeguarding and preserving the lives and property of its citizens through prevention, protection and preparation. We have a mission that matters!

The North Carolina Department of Public Safety is seeking an energized and collaborative oriented Project Manager to be a part of the Central Engineering team and provide the oversight and delivery of challenging, yet rewarding, projects. If you desire a financially rewarding career that includes great work / life balance and is coupled with strong state benefits including retirement, health insurance, vacation leave, sick leave and paid holidays, please apply today! The Department of Public Safety's Central Engineering department is searching for an experienced Project Manager in Raleigh, NC. As the successful candidate, you will be an integral part of rewarding work in engineering and construction planning, consultation, inspection, design and construction contract administrative service. A wide spectrum of work is available, including repair and renovation projects and new construction projects. The Project Manager manages the design and construction process with strong emphasis on maintaining the respective projects scope, budget and schedule.

The Project Manager ensures the integration of operating procedures, security requirements and appropriate building systems in the design and construction process to achieve a fully functional facility that satisfies the project program requirements.

Knowledge, Skills and Abilities / Competencies:

Listed below are the Knowledge, Skills and Abilities (KSA's) associated with this position. These KSA's, along with the Minimum Education and Experience Requirements listed, are required in order to be deemed "eligible" for the position. Qualified applicants must possess and application must clearly reflect work experience that demonstrates the following:

- Construction Project Management experience.
- Working knowledge of NC Building Codes and Construction Methods.
- Demonstrated experience reviewing, evaluating, inspecting the work of others.
- Demonstrated ability to review construction designs and read/interpret plans and specifications.
- Demonstrated ability to resolve contract disputes.
- Demonstrated ability to estimate costs.
- Knowledge and experience with computers, including

Management preferences:

- Five years of Engineering, and/or Project Management experience for Clients/ Owners regarding Civil, Mechanical, Electrical and/or Construction Management.
- Prior experience with State Construction Office Procedures and Guidelines and experience managing Correctional construction projects preferred, but not a requirement.
- Certification through (PMI) Project Management Institute or similar training/certification.
- Licensed as Professional Engineer in the State of North Carolina.

ADA Physical Requirements will be discussed during the interview. Ability to climb ladders for roof inspections, access crawl spaces and utilize step ladders.

Minimum Education and Experience Requirements:

Bachelor's degree in Facilities or Construction Management or related Engineering field from an appropriately accredited institution and two (2) years of related experience in construction project management, or an equivalent combination of education and experience. Necessary Special Qualification May require registration as a professional engineer by the North Carolina Board of Examiners for Engineers and Surveyors.

ROBESON COMMUNITY COLLEGE IS AN EQUAL OPPORTUNITY EMPLOYER

ORANGE WATER AND SEWER AUTHORITY

ASSET MANAGER

The Orange Water and Sewer Authority (OWASA), a progressive water utility providing retail water, wastewater and reclaimed water services to the Towns of Chapel Hill and Carrboro and to the University of North Carolina at Chapel Hill, seeks a dynamic, highly motivated engineer to lead OWASA's Asset Management Program.

The Asset Manager leads OWASA's asset management program developing, implementing and maintaining all elements of the asset management framework to improve the reliability and resiliency of the community's water and wastewater infrastructure. This is accomplished by evaluating best practices in asset management; updating and promoting the asset management framework; working with consultants and OWASA staff to identify and prioritize business needs; managing asset inventories; developing condition assessment strategies; managing asset risk/prioritization models; assisting with capital project prioritization; updating the asset renewal and replacement financial forecast model; managing facility reliability and risk assessments; and linking the asset management program with the geographic information system (GIS) and computerized maintenance management systems (CMMS).

The position also works closely with OWASA's operating departments (water supply and treatment, distribution and collection, wastewater treatment) managing special projects and programs to improve the efficiency and/or reliability of the water, wastewater and reclaimed water systems.

Candidates should possess knowledge of asset management principles and practices. Candidates should be self-motivated and possess exceptional organizational, technical, and written, verbal and interpersonal communication skills. Candidates should have experience leading cross-departmental teams fostering collaboration between team members. Position requires three to five years' experience in a closely related field. Previous experience working with GIS and CMMS is desirable. Position requires a Professional Engineer license and a North Carolina Class C driver's license.

OWASA is an Equal Opportunity Employer committed to continuous improvement, sustainability, creativity, diversity and inclusion.

Open until Filled.

Salary range is \$72,690 - \$111,940.
