PIEDMONT TRIAD AIRPORT AUTHORITY

NOTICE OF REQUEST FOR PROPOSALS

VIDEO MANAGEMENT SYSTEM UPGRADE PROJECT

The Piedmont Triad Airport Authority (the "Authority") will receive proposals until 4:00 p.m., on Friday, March 8, 2019, in response to its Request for Proposals ("RFP") for its VIDEO MANAGEMENT SYSTEM UPGRADE PROJECT. Proposals received after that date and time will not be accepted. Following their submission, proposals will be evaluated by the Authority to determine the best overall proposal in accordance with the evaluation criteria in the RFP.

The work may be generally described as replacement and upgrade to an analog closed-circuit television system at the Piedmont Triad International Airport (GSO). The work items shall include, but not be limited to, replacement and consolidation of current systems into one video management system, supplying and installing IP-based cameras to replace existing video cameras, and integration of the new system with the Authority's existing access control system.

Proposers must submit an original and four hard copies of their proposals, in a sealed envelope, addressed to:

J. Alex Rosser, P.E. Deputy Executive Director Piedmont Triad Airport Authority 1000A Ted Johnson Parkway Greensboro, NC 27409

Each Proposer must also submit an electronic version of its proposal, by the above-stated time and date, to Protus3, the Authority's Security Consultant, at thall@protus3.com.

The contract documents contain Sensitive Security Information (SSI). Prior to obtaining copies of the contract documents, Proposers must first execute a Protective Agreement for Sensitive Security Information (the "Protective Agreement"). A copy of the form for the Protective Agreement may be downloaded from the Authority's website http://flyfrompti.com by clicking on "RFP, RFQ Bid Documents" under Airport Operations or by requesting the form from Protus3 at thall@protus3.com. Proposers should complete and sign the form and return it to the Authority's Security Consultant at the same email address. The contract documents will then be emailed to the Proposer. Alternatively, Proposers can execute the Protective Agreement and obtain a copy of the contract documents between the hours of 9:00 a.m. and 4:00 p.m., Monday through Friday by visiting the offices of the Security Consultant or the Authority at the following addresses:

Protus3 5540 Centerview Drive Suite 214 Raleigh, NC 27606

Piedmont Triad Airport Authority Piedmont Triad International Airport 1000A Ted Johnson Parkway Greensboro, NC 27409

A mandatory pre-proposal conference will be held in the Stanley Frank Board Room located in the upper level terminal at the Piedmont Triad International Airport on Tuesday, February 19, 2019 at 2:00 p.m. The purpose of this meeting will be to familiarize the prospective proposers with the project. The meeting will cover contract scope, security badging requirements, bid items, schedule requirements and any questions from those in attendance. A representative of the Authority and the Authority Security Consultant will be present to respond to questions from potential proposers. Proposers must sign the Protective Agreement before attending the conference. Proposers which do not have an official or representative present at the conference will be disqualified from submitting a proposal.

Questions relating to the project and contract documents must be submitted in writing to the Security Consultant at thall@protus3.com no later than 5:00 p.m. on Tuesday, February 26, 2019.

Each Proposer shall certify, by submission of a proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency or the State of North Carolina.

The Authority, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all Proposers that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit proposals in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

The Authority reserves the right to waive any informalities or irregularities in or to reject any or all proposals and to award or refrain from awarding the contract for the work, whichever it deems to be in its best interest.

ADVERTISEMENT FOR PRE-QUALIFIED BIDDERS

Sealed Contractor Qualification Statements will be received until March 1, 2019 at 4:00 PM in Building D, room ND 349 on the Northern Campus of Wake Technical Community College to pre-qualify general contractors for the opportunity to bid on the construction of the NWC Exterior Hydronic Piping Project and RP2 Equipment Addition. The Project is on Wake Technical Community College's north campus on Louisburg Road in Raleigh NC. The Regional Plant 2 (RP-2) supports the cooling and heating needs of campus as one of the three (3) utility plants on campus. RP-2 was designed to accept a total of three chillers, cooling towers, and boilers. This project installs the second of the chillers, cooling towers, boilers, pump and support equipment. The project also includes building the frame system supporting a third chiller, but not the chiller itself. Along with the equipment in RP-2, new underground heating hot water (HHW) and chilled water (CHW) piping will be extended from the existing man hole MH-11 to the existing Building H along the east side of Building F and under the existing Pedestrian Bridge 1, as well as toward a future Automotive building for connection to that projects hydronic system.

Contractors will be required to submit the State of North Carolina Prequalification form for Prime Contractors along with any additional pertinent information to identify their qualifications to perform the work.

Proposers must pre-qualify to submit bids and the project will be bid as a single prime contract. The college reserves the unqualified right to reject any or all qualification statements and to wave informalities.

Wendell Goodwin Vice President of Facilities Operations Wake Technical Community College

ADVERTISEMENT FOR BIDS

ELEVATION WATER DISTRICT 2017-18 HYDRAULIC IMPROVEMENTS

Sealed bids will be received by the Owner, ELEVATION WATER DISTRICT, in the conference room at the LAND USE CENTER, 309 E. MARKET STREET, SMITHFIELD, NC until 2:00 PM, EST, on March 14, 2019, for the construction of ELEVATION WATER DISTRICT 2017-18 HYDRAULIC IMPROVEMENTS.

The work will consist of the construction of approximately 10,800 LF of 12-inch water distribution main including four bore and jack crossings along Woodall Dairy Road, Tarheel Road, and Raleigh Road in Johnston County, NC, and a new prefabricated booster pump station near Benson, NC.

Plans, Specifications, and Contract Documents are open to public inspection at the office of JOHNSTON COUNTY PUBLIC UTILITIES, LAND USE CENTER, 309 E. MARKET STREET, SMITHFIELD, NC; on-line on our website at www.johnstonnc.com, and through the following plan rooms: iSqFt.com, Hispanic Contractors of the Carolinas (HCAC), Carolinas AGC (CAGC), CMD, Bid Clerk, McGraw Hill Construction (dodge.construction.com), and Construction Data Company (CDC). Hard copies can be purchased by prospective bidders at Johnston County Public Utilities for a fee of \$150.00 for each set of documents requested. Small minority and women's businesses and labor surplus area firms are encouraged to submit bids.

Each bid must be accompanied by a certified check or a bid bond by an acceptable surety company of not less than five percent (5%) of the amount of the bid, made payable to the Owner, ELEVATION WATER DISTRICT, as a bid guarantee.

A Performance and a Payment Bond will be required for the successful bidder in the amount of one hundred percent (100%) of the contract price, conditioned upon the faithful performance of the contract, payment of all persons supplying labor or furnishing materials, and payment of all liabilities incurred in connection with the work under this contract.

North Carolina law requires any contractor bidding on work in the State which costs \$30,000.00 or more to show evidence that he is licensed under the "Act to Regulate the Practice of General Contracting."

No bid may be withdrawn for a period of sixty (60) days after the scheduled closing time for receiving bids.

The Owner reserves the right to reject any and all bids and any part of a bid and to waive formalities and technicalities in the bidding procedure.

No consideration will be given any request for Plans and Specifications within the five (5) day period immediately prior to the date for receiving bids.

Bids must be submitted on the printed form, or exact copies thereof, contained in the Contract Documents.

Any contract or contracts awarded under this invitation for bids are expected to be funded in part by a loan from the State of North Carolina. Neither the State or Federal government nor any of its departments, agencies, or employees is or will be a party to this invitation for bids or any resulting contract.

Bidder shall make positive efforts to use small and minority-owned businesses and comply with GS 143-128.

A pre-bid conference shall be held at 10:00 a.m., on February 26, 2019 in the conference room at the LAND USE CENTER, 309 E. MARKET STREET, SMITHFIELD, NC.

**ORANGE WATER
AND SEWER AUTHORITY**

MAINTENANCE MECHANIC

The Orange Water and Sewer Authority (OWASA), a progressive water utility providing water, sewer and reclaimed water services to the Towns of Chapel Hill, Carrboro and the University of North Carolina at Chapel Hill, seeks a highly responsible, detail-oriented individual to join our team as a Maintenance Mechanic.

Ideal candidates should be self-motivated team players with a positive attitude and a proven solid work ethic. Candidates must have good communication skills with the ability to assist the team to fulfill the mission and goals of OWASA while ensuring safe work practices are followed at all times.

The purpose of this position is to ensure safe, reliable and efficient operations within the facilities of OWASA and to assist in maintaining all company assets. This is accomplished by performing preventative and corrective maintenance within the facilities including, administrative buildings, water and wastewater treatment plants, lift stations, pump stations, raw water supply stations and the water supply reservoirs. Work is accomplished by receiving and completing work orders through a Computerized Maintenance Management System (CMMS).

This position requires a High School diploma with one year of experience. Knowledge of electrical, hydraulic and pneumatic equipment is required. Previous experience using a Computerized Maintenance Management System (CMMS) is preferred. Position requires a valid North Carolina Class C Driver's License. Must meet and maintain requirements for safety sensitive position. Position frequently exerts 10-25 pounds and occasionally 50-100 pounds.

OWASA is an Equal Opportunity Employer committed to continuous improvement, sustainability creativity, diversity and inclusion.

Salary range: \$39,702 - \$61,141
Closing date: March 8, 2019

Certified Orange County Living Wage Employer.

ORANGE WATER AND SEWER AUTHORITY

LABORATORY ANALYST

Orange Water and Sewer Authority (OWASA), a progressive water utility providing water, wastewater and reclaimed water services to the Towns of Chapel Hill, Carrboro and to the University of North Carolina at Chapel Hill, seeks qualified candidates for a Laboratory Analyst at the Water Treatment Plant located on Jones Ferry Road (Carrboro) which is a recipient of the partnership for Excellence in Water Treatment Award.

We are committed to delivering high quality drinking water to our customers. OWASA is a member of the Partnership for Safe Water, a water industry association which promotes excellence in drinking water treatment and distribution systems.

The ideal candidate is a self-motivated team player with excellent written and verbal communication skills. Interpersonal skills are a must as is the ability and willingness to assist the team to fulfill the mission and goals of the organization while ensuring safe work practices are followed.

This position helps to ensure the drinking water supplied to the community is safe and meets all regulatory requirements and regulations. This is accomplished by collecting samples throughout the treatment process and distribution system to conduct compliance and non-compliance testing while maintaining an effective quality control and assurance program following established standard operating procedures. Calibrates and maintains analytical equipment and performs various quality control procedures to ensure reliability, precision, and accuracy of results. Evaluating results requires sound analytical judgement. Interacts with customers and general public to respond to inquiries concerning water quality.

Candidates should have one to three years' laboratory experience with an Associate's degree or equivalent in a related field of study. Position requires a valid driver's license issued by the State of North Carolina. Candidates with experience using or familiar with the operation of a gas chromatograph-mass spectrometer (GC-MS) preferred.

Successful candidate must meet and maintain requirements for a safety sensitive position (bi-annual physicals, etc.) and must frequently exert 10-25 pounds and occasionally 20-50 pounds.

OWASA is an Equal Opportunity Employer committed to continuous improvement, sustainability, creativity, diversity and inclusion.

Salary range: \$44,189 - \$68,051
Closing date: February 27, 2019
