For hauling operations, we will need to know how many of your own hauling units will be available for these projects. We will need this on your written quote prior to bid time and this will be made a part of any subcontract.

These projects include opportunities on, but are not limited to milling, silt fence, seeding and mulching, erosion control measures, curb and gutter, misc. concrete, pavement markings, asphalt and aggregate haul, signs, masonry drainage structures, sawcut, surveying, pipe, excavation and guardrail.

Plans and Proposals can be viewed on the NCDOT's website at <http://www.ncdot.gov/doh/preconstruct/ps/contracts/letting.html#0> and at our offices. Please call for an appointment.

All firms or persons interested in bidding on any applicable portions of these projects or supplying materials for any applicable portion of these projects are invited to contact us direct or by phone (we accept collect calls). By submitting a quote, it is understood that you have read and understand the specifications.
